Santa Claus is Coming to Town!

St. Nick to Cruise Through the Streets of Elm Gove Thursday

WHEELING, W.VA. – Santa Claus is coming to town thanks to the efforts of Ward 6 Councilman Dave Palmer who made arrangements for the the man in red to be driven through some Elm Grove neighborhoods Thursday evening.

“Santa will arrive in Elm Grove at 6 p.m., Thursday and travel through many of the streets courtesy of Savage construction. As we know, Santa is very busy this time of year, so he won’t have time to stop and talk along the route, but he will be waving to everyone as he passes by,” Palmer said.

Palmer credited his wife with contacting Mrs. Claus who then put Palmer in touch with Old St. Nick himself and arrangements for this special evening were then made.
